Chief Information Officer

Subject: **FISCAL YEAR (FY) 2002-2003 1st SEMI-ANNUAL REPORT OF COUNTY UNISYS AGREEMENTS/WORK ORDERS**

On February 20, 2001, your Board directed the Chief Information Office to produce quarterly reports of all Unisys agreements. Upon final submission of the 4th Quarter report for FY 2001-2002, this office began reporting on a semi-annual basis. Attached is the first semi-annual FY 2002-2003 report that reflects the status of County Unisys agreements. This report does not indicate any system issues arising within the departments, but only reportable issues with contractor performance.

Since our final 2001-2002 report, the Internal Services Department (ISD) and the Department of Public Social Services (DPSS) remain the only two (2) departments with Unisys contracts. Each reported their satisfaction with the contractor's performance and compliance with the terms of their agreements.

We will continue to report the status of existing and future Unisys agreements on a semi-annual basis. Our next report will be submitted in July 2003, and will cover the period of January 2003 through June 2003.

If you have questions or require additional information regarding these agreements, please contact Jonathan Williams, of my staff, at (213) 974-2080, or Yolanda De Ramus, at (213) 974-1721
